SECTION 2 · POST-ASSESSMENT

Performance statistics

CANDIDATES	PASS RATE	CLASS AVERAGE	HIGHEST	LOWEST
30	40.0%	46.9%	76.0%	24.0%

12 of 30 candidates achieved 50% or higher. Marks are expressed as percentages of 100 total marks. 30 students are listed on the class list; 30 have a mark in this test. This test counts for 20% of the year mark.

Source: PHE261S_class-list_SAMPLE.xls > MAS - Marksheet > T1

SECTION 2

Examiner commentary

Most candidates handled the multiple-choice section well. The essay question on normalisation was poorly answered; many conflated 2NF and 3NF.
