SECTION 2 · POST-ASSESSMENT

Performance statistics

CANDIDATES	PASS RATE	CLASS AVERAGE	HIGHEST	LOWEST
18	72.2%	61.8%	90.0%	34.0%

13 of 18 candidates achieved 50% or higher. Marks are expressed as percentages of 100 total marks. 1 non-numeric / out-of-range entry was excluded.

Source: marks.xlsx > Marks > T1

Mark distribution (% of total, number of candidates per band)

SECTION 2

Examiner commentary

Most candidates handled the multiple-choice section well. The essay question on normalisation was poorly answered; many conflated 2NF and 3NF.
